

Research shows high quality child care during the
FIRST FIVE YEARS
influences lifelong success.

Look for these key elements when deciding where to place our little ones for child care.

1. Safe and healthy environment.
2. Positive, and nurturing adult and child relationships.
3. Lower number of children per staff.
4. Staff who are knowledgeable and trained in early childhood development.
5. Planned activities that nurture children's healthy growth and development.
